ALL SERVICES

CUSTOM **CLEARING**

We are one of the best networked and experienced Customs Clearing Agents in India. Customs clearance work includes the preparation and submission of necessary documents to facilitate export or import into the country, the customer's care during customs examination, valuation, payment of duties and handling of cargo through customs after clearance with documents. represent.

We handle all trade compliance and processes on your behalf so that you can focus on growing your business. Our conscientious and fair business policies help us ensure prompt clearance of consignments by air, sea and land. Our loyal and ever-growing clientele adores us because we are honest, trustworthy and efficient.

SEA **FREIGHT**

Ruchi Cargo provides a variety of door-to-door shipping services, advanced tracking technology and transport document management, with no restrictions on cargo size and weight. As an efficient international shipping company, we provide comprehensive services to almost every port location.

We attach great importance to the importance of communication and will keep you informed every step of the way. We offer our services from a large number of origins, and will arrange pickup and delivery, provide streamlined freight forwarding to book your cargo and manage shipping documents. Feel free to inform us of special requirements and we will do our best to accommodate you.

ALL SERVICES

AIR **FREIGHT**

Our excellent carrier network available 24 hours a day, 7 days a week ensures that your products are delivered to their destinations on time and in a cost-effective manner. Interest Cargo's global airline partnership allows you to simplify supply chain management by providing the lowest prices, transit times, fixed quotas, and carrier escalation capability on every major trade route.

We offer to assist with shipment tracking, customs clearance, consolidation and warehousing. Additionally, we understand the importance of safe transportation and are more than willing to provide this service as well.

FREIGHT **FORWARDER**

Ruchi Cargo has a well-established global freight and trade network, offering single-source solutions for handling and transporting cargo. With a comprehensive team of experts overseeing the operations, Ruchi Cargo provides the best suited customized solutions with its unparalleled access to a vast agent network of air, ocean, rail or road transportation facilities. All of which provide its clients with fast and comprehensive access to important markets globally.

Freight carriers, freight forwarders, or carriers are individuals or companies that arrange shipments for individuals or companies to get goods from manufacturers to markets, customers, or final distribution points. A freight forwarder signs a contract with a carrier (usually multiple carriers) to move goods.

ALL SERVICES

WARE HOUSING

Ruchi Cargo is a leading service provider for warehousing. Warehousing is an integral part of transportation, as it is crucial for logistics. Our team of professionals will monitor and manage incoming cargo in our storage facilities, and are able to make allowances for special goods. We are known for our superior inventory management, and provide the services like Dock Stuffing and Warehousing Services, we will stuff your package with material that protects it from damage during the transportation.

PROJECT CARGO

Ruchi Cargo is leading the services in Project Cargo. Project cargo, also known as project forwarding or project logistics, is the transportation of large, complex, or high-value equipment, including bulk shipments, that may be transported by land, sea, or air. Project cargo is a term widely used to describe the national or international transport of large, heavy, high value or critical equipment. Also commonly known as heavy lifting. Our team of professionals will monitor and manage cargo arriving at our storage facilities, and will be able to offer discounts for specialty items.

BREAK BULK

In shipping, break bulk cargo or general cargo are goods that must be loaded individually, not in intermodal containers and not in bulk as with oil or grain. Ships carrying this type of cargo are called general cargo ships. Our relevant technical expertise in handling heavy shipment equipment, shipment chartering, consultancy and other broking services is available to meet your break bulk requirements. The total cost of transportation of goods from the port of loading to the destination depends on the cargo handling expenses to a maximum extent. In bulk cargo handling, the cargo is handled manually on several occasions and then clearly assembled at the warehouse.

EXPORT & IMPORT

Who is a Consolidator in the Export and Import cargo movement industry? Consolidator is a person or company who consolidates different consignments for different importers into one consignment who delivers each cargo to each consignee as per the agreed terms and conditions.
